A boundless and fathomless flood

Launch out in the deep cut away the shoreline

Be lost in the fullness of God  
          Em                          Bm  
But many alas only stand on the shore  
      D                                  A  
And gaze on the ocean so wide  
          Em                          Bm  
They never have ventured its depths to explore  
      D                                  A  
Or to launch on the fathomless tide

Into the vast unknown

## VERSE 2

And others just venture away from the land  
And linger so near to the shore  
That the surf and the slime that beat over the strand  
Dash o'er them in floods evermore  
Oh let us launch out on this ocean so broad  
Where the floods of salvation o'erflow  
And let us be lost in the mercy of God  
'Til the depths of his fullness we know
