Give us boldness like a child unafraid
Give us wisdom even when nations rage
Let your church arise with fire
Let your church arise
Give us boldness

Give us vision to see what you see
Give us power to set captives free
Let your church awake this hour
Let your church awake
Give us vision

Oh we wanna see a move of heaven
Oh so let your kingdom come
Oh the gates of hell will not prevail
The church will rise, rise up
The church will rise, rise up

Give us courage to move with your heart
Give us purpose show us who we are
Let your church declare your goodness
Let your church declare
Give us courage

Oh we wanna see a move of heaven
Oh so let your kingdom come
Oh the gates of hell will not prevail
The church will rise, rise up
The church will rise, rise up

Oh we wanna see a move of heaven
Oh so let your kingdom come
Oh the gates of hell will not prevail
The church will rise, rise up
The church will rise, rise up

The wind starts blowing
The blind start seeing
This is what it looks like when the church comes alive

The lame start walking
The dead start living
This is what it looks like when the church comes alive

(Repeat x4)
