

Your Love (Agape) [C, 70 bpm]

[CCLI # 7141785] by Ben Cantelon, James Molnar, and Michael Larson

VERSE 1

C How could I reveal your beauty **F**
Am How could I reveal your light **F**
C A thousand melodies could never tell **F**
Of your great love, yet I will never cease to try **Am** **F**

C How could I reveal your glory **F**
Am How could I reveal your grace **F**
C A thousand songs could never tell of what **F**
You've done for me, Yet I will never cease to praise **Am** **F**

CHORUS

C Your love oh God is greater than tongue or pen could tell **G**
Am It goes beyond the heavens, and to the lowest hell **F**
C It will endure forever, it's measureless and strong **G**
Am Redeeming grace that echoes The saints and angels song **F**

VERSE 2

C The universe in all it's grandeur **F**
Am The moon and stars in all their fame **F**
C Will never match the beauty of your love, I stand in awe **F**
Am And praise the greatness of your name **F**

BRIDGE

F **G**
Never failing, your love is higher, your love is wider
Am **C**
Never ending, your love is deeper, your love is greater (3x)
F **Dm**
Never failing, your love is higher, your love is wider
Am **G**
Never ending, your love is deeper, your love is greater
